PPS - AHMOPI Announcement 2021-03-29 -02

March 29, 2021

TO: PPS MEMBERS
SUBJECT: AHMOPI Extension of the enhanced PF rates
FROM: PPS Board of Trustees

March 29, 2021

Dear Colleagues,

With the continuing challenge to healthcare delivery during this pandemic, the Professional Health Care Committee would like to inform the members who are partners in the PPS-AHMOPI MOA of the extension of the enhanced PF rates. The information is covered by communication from the AHMOPI Executive Director dated March 25, 2021.

This will cover the period of April 1 to June 30, 2021 and possibly extendable while the country's State of Calamity has not been lifted. By virtue of this extension, outpatient face-to-face consult fees will be maintained at its enhanced rate of six hundred pesos (PhP 600.00) and TeleConsults, if resorted to and following the HMO parameters for the same, will be at the usual rate of four hundred pesos (PhP 400.00).

This is part of the continuing MOA initiatives for partner-participant doctors on account of the Covid-19 in the country.

Have a meaningful Holy week, everyone!
