## Greetings everyone!

It is with pride and honor that I welcome you all to the 59<sup>th</sup> Philippine Pediatric Society's Annual Convention. This is the 3<sup>rd</sup> conducted wholly in the virtual platform. Not only does this showcase our Society's evolving mastery of this digital highway but more important is its being a manifestation of our Organization's resilience to continue to provide an avenue to further our knowledge and skills through this activity pandemic, notwithstanding. What makes this year's event particularly special is its being conducted with our Society reaching another existential milestone, the Blue Diamond Jubilee, its 75<sup>th</sup> year!

This year's convention is ably chaired by Dr.

Lorna R. Abad and hosted by the University of the Philippines themed "Discoveries, Accomplishments, Opportunities, and Directions in Child Health". It promises to deliver an exciting menu of courses and talks that will certainly redound to our satisfaction. From a look into the past beyond the challenges in the toil from its birth, the harvest of the fruits in finding its niche, the continuing education to respond to current and evolving needs in healthcare to a proactive vision into the future, this convention is truly a DIAMOND in our midst.

The convention shares the stage with the exceptional research output of the residents from our PPS-HAB institutions and the healthy spirit of competitive quiz contest. The fun run shall take strides beyond the message of Wellness bringing it to a run with a purpose with the PPS scholarship grant program as beneficiary. Virtual as it may be, the convention remains the biggest reunion of friends and a "meeting" where new connections are built. Let the fellowship night give us a glimpse of what unity of purpose and vision could be in a spirit of fun and camaraderie.

Just as our nation is set to open the polls for the election of our leaders so does the Philippine Pediatric Society. All bona fide members are enjoined to cast their vote, choosing who will lead the Organization in the years to come.

I thank the Host Institution and each and every member of the organizing committee for a job well done! Let us learn and enjoy every moment of the 59<sup>th</sup> Annual Convention in a year PPS in its DIAMOND!

VIRTUAL  
MAY 3-6, 2022

As we celebrate a milestone this 2022, on the occasion of our 75th Blue Diamond Year, we have come up with the theme PPS4theWIN - to stand for Wellness-Inclusion-Nutrition.

We, the PPS Board, are committed to improve the health of the people we serve, especially those who are vulnerable, while we share new knowledge as we work together.
