

I am very honored to welcome all of you to the 17th Postgraduate Course of the Philippine Pediatric Society Central Visayas Chapter. This year's theme "**The Presidents Speak: An Amalgam of Pediatric Issues**" will be an inspiring opportunity for us, Pediatric Professionals, to learn about key issues affecting the health of our children as well as the evolving practice of pediatrics adapting to the changing trends of today. I am very proud that these series of lectures, interactive sessions and practical training workshops will be tackled by our very own past presidents of the chapter.

In behalf of the PPS-CV, we warmly and sincerely congratulate the members of the 2016 Organizing Committee chaired by our Vice-President, Dr. Monina Cristina Cabral, and the Scientific Committee headed by Dr. Karen Joy Kimseng, for all their unselfish and passionate dedication, talent and time to make this event a reality.

I assure all of you that this 2-day course will be an enriching residential encounter.

Cheers and Best Wishes!

Jean Francis F. Alcantara, MD FPPS
President
Philippine Pediatric Society- Central Visayas Chapter

Warmest greetings to everyone! It is with great pride and pleasure that I welcome you to the 17th Chapter-Initiated Postgraduate Course with the theme "**The Presidents Speak: An Amalgam of Pediatric Issues.**"

As organizing chair of the event, I hope to bring together a good programme that stimulates both our clinical knowledge and scientific intellect. This will be through a combination of interesting and relevant lectures and engaging "hands-on" workshops spearheaded by the chapter's past presidents.

Moreover, I would like to commend the dedication and hard work of the members of the organizing committee and in particular the chair of the scientific committee Dr. Karen Joy Kimseng for preparing this well crafted course. Kudos to the great minds of Dr. Doris Obra and Dr. Ronald Limchiu for their wise advice and brilliant suggestions.

I am looking forward to seeing all of you.

God bless the PPS-CV Chapter!

Monina Cristina S. Cabral, MD FPPS FPNP FSPS
Over-All Chair
17th PPS CV Postgraduate Course
