PPS CPD Unit for the Virtual ZOOM Conference : 3 units/session\*

PPS CPD Unit for the Video Lecture done by 1 speaker : 1 unit/session

\* The CPD online platform was previously set at 1 unit/session. However, due to the current COVID pandemic, the PPS Board of Trustees approved the awarding of 3 units/session for all Virtual Zoom Conferences. As the technical company handling the CPD online platform is not in operation during the ECQ period, what would be initially reflected for the ZOOM conference is 1 unit/session. Once the quarantine is lifted, the virtual zoom conference would be revised to 3 units/session.
